Additional Backup Information:

The purpose of this RCA is to request that Council approve the franchise agreement for Viking Enterprises, Inc., d/b/a City Ambulance Service, on the third reading.

Austin-Travis County EMS (ATCEMS) received an application from City Ambulance in October of 2019, requesting a franchise for a five-year term. All the required application elements have been submitted and the application fee has been paid in full.

In order for a private ambulance company to provide non-emergency transfer services within the limits of the City of Austin, the provider must hold a franchise from the City. Non-emergency transfers typically occur between skilled nursing facilities, hospitals, and private residences and are usually prescheduled by medical personnel. Currently, three companies hold such franchises: Acadian Ambulance Service, Inc. (Acadian), American Medical Response of Texas Inc. (AMR), and Allegiance Mobile Health (Allegiance).

The ATCEMS Advisory Board recommends approval of this franchise. During its February 3, 2021 meeting, the Advisory Board unanimously recommended approval of the franchise for five years. Minutes of this

meeting are attached, along with a memo outlining staff findings.

Strategic Outcome(s): Safety.
