Dear Andrew and Sherri,

The Walnut Creek Neighborhood Association, Community Registry Planning ID 85, respectfully requests that the hearing of this case (C14-2021-0054, 11700 North Interstate Highway-35 Service Road SB) at the Zoning and Platting Commission be postponed from 1 June 2021 to 15 June 2021.

The basis for this request is as follows. The Board of Directors of the Walnut Creek Neighborhood Association meets once a month, each month, on the first Wednesday of the month, or 2 June 2021 in June of 2021. Because of the interest expressed by neighborhood residents in response to the mailing of 20 May 2021 (Notice of Public Hearing for Rezoning), it is appropriate for the Board to consider a position on this case in view of the residents' opinions. The soonest this can be done is at the 2 June 2021 meeting of the Board.

The Association understands that the grant of such a postponement is not automatic, but rather is a matter of courtesy or forbearance by the Commission.

I am copying Dorsey Twidwell, the Vice-President of the Walnut Creek Neighborhood Association.

Best Regards,  
Robert Meadows  
President, Walnut Creek Neighborhood Association, 2021-2022
