Heather,

After further internal discussions, we have decided to hold off on scheduling the PC meeting for the zoning case to allow time for meetings with the neighborhood to occur without the pressure of an imminent deadline. While we are confident that the issues can be satisfactorily addressed, we want to be considerate of the neighborhood process. Our goal is to be ready for the Nov 5 meeting, but will contact you to reschedule.

Also, per your suggestion, we will be present at the Oct 8 meeting in the event there are questions.

Thank you,  
*Sally*
