RE: Plan Amendment Case #: NPA-2021-0026.01 and Zoning  
Case #: C14-2021-0039

I hereby formally request that the planning commission meeting scheduled for June 8th regarding Plan Amendment Case #: NPA-2021-0026.01 and Zoning Case #: C14-2021-0039 be postponed to the July 13th meeting agenda. The purpose of the postponement request is to increase community and neighborhood awareness, allow time to meet with the applicant representative to discuss neighborhood needs and to exercise Austin City Code valid petition rights. It is crucial that these meetings and outreach take place prior to the planning commission meeting.

Thank you for your time in this matter.

Sincerely,

Jade Lovera

Native Austinite and Neighborhood Resident
