87TH POLICE FUNDING

City Police Funding

HB 1900 (Goldman)

Signed by Governor June 7 -- Effective September 1, 2021

- Applies only to municipalities over 250,000
- “Defunding municipality” reduces appropriation to police department compared to previous budget. [lower than the larger of previous two years’ budgets until 2023]
- Determined by Office of Governor’s Criminal Justice Division (“CJD”). Some exceptions allowed at discretion of CJD
- **Penalties:**
 - Dis-annexation elections and prohibition on annexations.
 - Must use lowest property tax rate (generally no-new-revenue rate) for upcoming year
 - Annual sales tax distribution decreased by amount determined by CJD that State spent to provide law enforcement services to City.
 - Increase contributions to APRS such that the combined City and member contributions are no less than the combined City and member contributions in FY2021.
 - AE & AWU rates capped at January 2021 levels unless utilities stop providing any funding to the City through transfers.
