RE: C14-2020-0146 (11705 Research Blvd Zoning) Postponement Request

The staff would like to request a postponement of the above mentioned case to July 6, 2021. The staff requires additional time to finalize our review of a new Transportation Impact Analysis (TIA) that includes this property so we can provide this related information for the Commission's review.

The postponement request was made in a timely manner and meets the Zoning and Platting Commission's policy.
