We ask for the postponement to gather data on the plans for the property and also to inform the neighbors. I have called the broker, but they have not responded yet which does not provide time for an informed decision. July 20th is preferred.

Thank you!

Hello Ms. Newman:

Thank you for your email.

Please provide a postponement request including the reason for the postponement and the postponement date (available dates below).

- July 6, 2021
- July 20, 2021
- August 3, 2021

Should the applicant agree to the postponement date, the item will be proposed on the consent agenda for postponement to a date certain. Should the applicant not agree to the date, the Commission will consider whether or not to grant the postponement (will hear from 2 individuals for and against the postponement at 2min each).

Thank you,

Andrew
