Hello Amber,  
I found and read the report for 916 Bouldin Ave. It is well done, thank you!

At this time I do not wish to speak. I am not a good speaker.

But please record me as an interested party that is opposed to granting a demolition permit at this time. I ask that the commission postpone any decision about this matter until the Neighborhood Association has had time to digest the loss of this structure. We might even consider applying for a historical conservation district for our neighborhood as your report recommends. The fine report your office just published does not give enough time to consider the contents of the report and formulate an opinion before Monday, June 28, 2021.

With sincere thanks and appreciation to you and your office,

George Matthew Coldwell
