There is a problem with the applicant's survey.

I am the owner of "Portion of Lots 25 & 26, Block 3, Travis Heights..." (1313 Alameda Dr.) directly to the west of applicant's lot. As you can see, my survey, done when I purchased the lots in 1972 (under my previous name, Mary Barbash), shows an almost straight line between my property and the 1308 Alta Vista property. There is no jog, as the applicant's survey shows. The applicant needs to correct his survey before this matter is considered.
