Amber and Andrew

The demolition application for 3009 Bowman Avenue is on the June 28, 2021 agenda of the Historic Landmark Commission (item D.10.). My client needs time to evaluate your recommendation. Accordingly, I hereby request postponement until the July 26, 2021 meeting. Please let me know if I will need to call in for the meeting (assume postponement requests will be heard first). If so, I will be at the fishing cabin that my wife inherited from her grandmother in very remote part of Colorado. The phone number I will be calling from is (719) 658-2805. It is possible the phone may not working when we get there in which case I will let you know an alternate number as soon as I am able.

Thank You
