RE: HLC Meeting Monday June 28, 2021
A.1. PR-2021-061096: GF-2021-066980 2708 Scenic Dr.

Members of the Historic Landmark Commission,

The West Austin Neighborhood Group (WANG) Board of Directors has carefully considered the Zoning Change Review Sheet, Staff Recommendation, Neighbor Petition and Owner Input regarding the proposed zoning change at 2708 Scenic Drive.

WANG has voted to take a position of non-opposition to the release of the demolition permit for this home, but would like to note that we support the Staff Recommendation of rehabilitation and adaptive reuse over demolition, and the completion of a City of Austin Documentation Package prior to release of a demolition permit. In addition, WANG encourages relocation of the home as opposed to demolition, and/or re-use of the materials used for the construction of this midcentury modern design home.

Thank you for your consideration.

Sincerely,

Holly Reed, President
West Austin Neighborhood Group (WANG)
