*** External Email - Exercise Caution ***

The Historic Review Committee of the Bryker Woods Neighborhood Association was not notified of this proposed change, thus we have not had the opportunity to do other than review the online documents.

We note that the Voss House has a Landmark designation and that some of the issues regarding this were addressed, but apparently not to the full satisfaction of the Architectural Review Committee.

If the proposed addition will remove the Voss House from its Landmark designation, we would object and ask that the addition/remodel be given additional scrutiny.

Thank you.
