July 14, 2021 - Recommended by the Water and Wastewater Commission on an 8-0 vote with Commissioner

Williams absent and two vacancies.

Additional Backup Information:

These contracts will provide for various cave related services on Wildlands Conservation managed properties under the Balcones Canyonlands Preserve or the Water Quality Protection Lands. The services will include cave restoration, cave gates, surface surveys to locate caves and biological studies to identify species within caves. These projects are required to assist the City in meeting the goals of restoring cave ecosystems, maintaining proper functioning condition of recharge caves and providing for the protection of features as well as various surveys and research. These services will help to protect threatened and endangered species as well as yield optimal water quantity and quality to recharge the Edwards Aquifer and provide sustained flow to Barton Springs, which are the different yet primary goals of the two programs. The areas protected by the two programs exceed 40,000 acres and extend from Williamson County to Hays County. These contracts will help cave projects move forward more consistently and efficiently.

An evaluation team with expertise in this area evaluated the offers and scored 4CAVES Institute; Charley William Savvas d/b/a Charley Savvas; Richard Douglas Zarria d/b/a Zarria Environmental Consulting; Zara Environmental, LLC; and Cox/McLain Environmental Consulting, Inc. (WBE) as the best to provide these services based on experience and qualifications, technical program, price, local preference, and service-disabled veteran business enterprise.
