Council Committee, Boards and Commission Action:

On July 16, 2021, the Audit and Finance Committee voted 5-0 to send the item to Council for approval.

Additional Backup Information:

The Audit and Finance Committee spoke with Myrna Rios, Deputy City Clerk. Myrna Rios discussed the proposed bylaw amendments for the Environmental Commission. The proposed amendments would change Article 8a to remove the urban growth policy and water quality protection committee, development air quality committee and the drainage infrastructure and flood mitigation committee. These committees are no longer active on a quarterly basis and the Commission requests holding working groups on these topics as needed.
