Amber, let me know if you want me to upload these on the permit app.
The attached pictures note the front porch where we are proposing to remove the screen enclosure, the two sides, and the rear where we are proposing to remove an enclosed 'laundry' porch.
Note the pink/peach colored garage belongs to the home next door and is built on the property line. The driveway access to it starts on my clients property and ends on the neighbors.
This is the reason we are proposing a carport on the opposite side.

thanks
Don

Hi Don,

Our staff is currently reviewing this property in preparation for this upcoming Monday's Historic Landmark Commission meeting. Could you provide some existing photos of the property?

Thanks,

Amber Allen
