Commissioners: The Historic Review Committee of the Bryker Woods Neighborhood Association has been in contact with the owner of 3101 Oakmont Blvd. and reviewed and discussed the plans. We do NOT oppose this demo/rebuild of a new garage. We feel that even though the garage is in front of the house, the owners have designed it in such a way that it appears from the street to be part of the original house. (By way of information, our Neighborhood Association only votes to “oppose” or “not oppose;” we do not “support.”)
