Attention: Austin Landmark Commission in care of Richard Suttle

Austin Landmark Commission,

As a long-time owner of [2309 Windsor Road](#), a historical home in Austin's Old Enfield neighborhood, I strongly support the proposed scope of work for Richard and Rae Hill's home on 2210 Windsor Road.

We have done several remodels on historic homes in central/west Austin and have extensive knowledge of the history of these homes, as well as being a licensed real estate broker for over 25 years. After reviewing these plans, the Hill's are adding value to the property and our neighborhood as well as maintaining the integrity of the property.

Please approve the Hill's request.

Sincerely,
Dr. & Mrs. William Kessler
