### **Additional Backup Information:**

On June 10, 2021, Council approved the 2022 assessment rate for the PID (at a rate of \$0.10 per \$100 valuation) and approved the proposed 2022 assessment roll (list of property owners subject to assessment). The assessments paid by the property owners fund the PID services.

State law requires Council to conduct a public hearing to consider the levy of assessments for the proposed improvements. The approval of the assessment rate and proposed roll on June 10, 2021 triggered notices being sent to affected property owners, giving them opportunity to review the property valuations prior to the public hearing. Property owners have a statutory right to challenge the assessment placed on their property at the public hearing. The levy, subject to public inspection and comment at the public hearing is on the certified 2022 assessment roll. The property roll does not include properties within the PID boundaries that are exempt from assessment or have zero value.

Council is also considering the approval of the PID's 2022 Service and Assessment Plan and Budget with

assessment values.

**Strategic Outcome(s):**

Economic Opportunity and Affordability.
