Dear Sir/Madam,

As a member of the Dessau Lutheran Cemetery Association, I would like to express my support for relocating the historical Dessau Lutheran Church to Pioneer Farms. The group associated with Pioneer Farms has the resources and ability to move and restore the church to its original state. Sadly, the membership of the Dessau Lutheran Cemetery Association is dwindling and eventually there will not be anyone left to care for the church and its upkeep.

My understanding is that Pioneer Farms has 50,000 to 60,000 visitors per year, so folks now, as well as many generations to come, could utilize and learn about its historical past.

Thank you for doing what is right and granting the Certificate of Appropriateness so that the Dessau Lutheran Church can be relocated to the Pioneer Farms.

Sincerely,  
Robert Naivar  
Director,  
Dessau Ltue
