Subject: Save No-Comply, oppose demolition of 812 W. 12th St

*** External Email - Exercise Caution ***

Hi, we oppose the demolition of this be love it skate shop, No Comply, at 812 W. 12th St. The shop holds the whole community together from all walks of life: our son has many friends he met through the various skate boarding events the shop put together, these bonds of friendship included reuniting a childhood friend from kindergarten, to kids he grew up with from elementary school to new friends he met at the various skating competitions No Comply put together for the community. These kids come from all walks of life, from school drop outs to class valedictorian, but they never forget their sense of community, friendship and hard work, like taking on the initiative to clean up the skate park from the Halloween flood of 2013, hosting voter registration at the the No Comply store, to fundraising for Central Texas Food bank, etc.

No Comply and its immediate vicinity to House Park Skate Park, is a refuge for the kids during the hottest of summer and coldest of winter. Instead of staying home playing video games or doing something else not good for their body or mind, kids come out to the skate park and practice their skating and No Comply skate shop has been a pillar for keeping kids off the streets, the group of friends our son has found in Skate boarding and at No Comply have all become responsible hard working young adults, some even work at the skate shop now.

We are Austinites and we support local business, especially business such as No Comply who gives back so much to the community, financially and spiritually...please do not demolish the building that No Comply is located, especially if you are turning it into a parking lot or something like that, we need to decrease the number of cars in our environment, and we being the most creative city that Austin is, we are sure we can all work together to come up with a better solution than simply to demolish 812 W 12th St.

Thank you,
The Stiles Family
Mae-Mae, Brett and Lake Stiles
