Ladies & Gentlemen,

In this letter, I express my support for the proposed changes to the Davis-Sibley House, 2210 Windsor Road, by owners Rae & Richard Hill.

As an Old Enfield resident, I value preservation of our neighborhood's historic homes. After reviewing the modifications, including the carport, removal of the stairs, and overhang at the back of the house, I consider these changes to be much needed and consistent with the historical home and the character of our neighborhood.

Having visited the Sibley home many times over the past 25 years, I am confident that Jane and D.J. Sibley would have enthusiastically supported these much needed changes if they were still with us today.

Thank you in advance for your approval of the modifications proposed for the Davis-Sibley House.
