

# Homeless Health and Wellness Center

*Ruth Ahearn, Practice Administrator*

Integral Care supports adults and children living with:

- **mental illness**
- **substance use disorder**
- **intellectual and developmental disabilities**

We help people build health and well-being so everyone has the foundation to reach their full potential.

# Project Scope

- Funded jointly by the Downtown Austin Alliance (DAA) and Downtown Austin Community Court (DACC)
- Provide a direct handoff for homeless individuals identified by HOST/DACC in need of housing focused, community based, behavioral healthcare who otherwise would be waitlisted
- Primary services include intensive community-based case management/rehabilitation services and access to psychiatric services.
- Leverage resources available at the 3000 Oak Springs Clinic including primary care services, housing navigation, benefits assistance, and supported employment.
- Weekly meetings with HOST/DACC to identify and staff referrals as well as any ongoing needs of participants
