Notes *Priority 1 Incidents by Council District*

- Incident volume reflects all Priority 1 incidents with valid response interval.
- Incidents assigned to multiple districts are excluded from this section.
- Response interval is measured from call answer time to arrival of first unit.
- Due to missing data, results should be used for general trend analysis, not detailed analysis outcomes.

Overall Response Performance - All Council Districts

- This section includes incidents assigned to multiple council districts.
- The following incident types are excluded: special events, test, duplicate, and STAR Flight incidents.
- Response interval is measured from call answer time to arrival of first unit.
- Incidents that do not have valid timestamps for call answer time and time of first unit arrival are excluded.
