
Planning and Tracking

— Joint Sustainability Committee —
07/28/21

JSC Goals

- Align JSC meetings with Austin Climate Equity Plan outcomes and other sustainability, equity and resilience-based work
- Have a pre-planned annual schedule
- Track committee recommendations and subsequent city action
- Streamline annual reporting content

Tracking platform

- Developed spreadsheet to build out JSC annual schedule in alignment with pertinent topic areas
- List recent recommendations and track progress
- Spreadsheet here: [Climate Action & JSC Recommendation Tracking - Google Sheets](#)
