Good afternoon Ms. Chaffin,

**Yes this is an official neighborhood postponement request.** We are asking for a postponement for our zoning Case C14-2020-0089 to September 30th reasoning being that on following your recommendations in the August 8th email, our Neighborhood Association along with the Bethany Cemetery Association of Travis County, has submitted paperwork to show reactivation of the Bethany Organization. We have yet to hear back from you and/or the City's Legal Department. It has become increasingly frustrating and disconcerting with the lack of follow up and transparency along with the gross disregard for community voice.

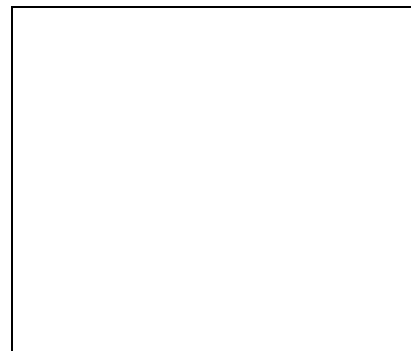

It is now Tuesday and we have not received any links for community sign up. Is this deliberate? Please send over links immediately so our neighbors will be able to sign up.

Best regards,

--
