Dear ICRC Commissioners,

I don't know if the City is going to get to add new districts or not based on the most recent census numbers, but if we do, I was hoping y'all would consider adding a district for renters and people who are unhoused. My rudimentary understanding is that the City Charter doesn't allow non-geographic districts, but if that's not a hard rule, I think an At-Large or Citywide council district for people who don't own property would be hugely helpful. These folks can't speak louder than their landlords or whoever owns the property where they're staying, but they are our neighbors and citizens with an invaluable perspective. Thanks for considering giving them a louder voice.

Sincerely,
Carolina Treviño
