Hi Commissioners,

I'm looking for the video of the weekly meeting in which there was a discussion of the redistricting process. I had hoped that it would be posted the next day. As of 10 am on Monday, August 23rd, it hasn't been posted. That discussion is possibly the most important consideration of the Commission so far. The basic question is: Are you constructing districts from scratch or using the existing districts as the basis for redistricting? The public needs to know.

Grateful for your service,

Stefan Haag
