TO: Mayor and City Council

FROM: Rosie Truelove, Director, Housing and Planning Department

DATE: August 26, 2021

SUBJECT: C14-2021-0037 – East 12th Street Neighborhood Conservation

Combining District (NCCD) Petitions (District 1)

Items 54, 60, and 61 on the September 2, 2021, City Council agenda are related to proposed amendments to the Urban Renewal Plan for the East 11th and 12th Streets Urban Renewal Area and East 11th and 12th Street Neighborhood Conservation Combining Districts.

Staff has received 63 petitions protesting the Planning Commission's recommendations for the East 12th Street NCCD. Eureka Holdings, Inc. has submitted 52 petitions for properties located inside or within a 200' of the NCCD. An additional 11 petitions have been submitted by other property owners.

These petitions represent three different types of zoning protests and will require significant staff time to determine if they are valid. These calculations will not be ready for the September 2, 2021, public hearing, nor is there a prepared ordinance. Staff is requesting that the item be considered for first reading only.

- 1. Property owner petitions represent a 100% petition against the zoning changes recommended by Planning Commission.
- 2. Petitions against the Planning Commission recommendations for properties falling within 200' of a petitioners' property within the NCCD. This will require calculations for all properties within 200' of a property or groupings of properties under the same ownership.
- 3. Petitions against the Planning Commission recommendations for the NCCD from property owners outside of its boundaries.

The petitions and maps are attachments to this memo.

If you need additional information, please contact Erica Leak, Housing and Planning Department Development Officer, at 512-974-9375.

To: The Austin City Council June 29, 2021

We, the undersigned owners of real property located in District #1 and affected by the proposed East 12th Street Neighborhood Conservation Combining District ("NCCD") amendment, Zoning Case Number C14-2021-0037, do hereby protest against any change in the existing NCCD development regulations, including, but not limited to, the proposed changes recommended by the Planning Commission on June 22, 2021 (Items B. 12-14) that will lower the maximum heights, reduce the allowed F.A.R. and restrict uses within the 12th Street NCCD. This petition is circulated pursuant to the zoning protest procedure in Section 25-2-284, and any other applicable section of the City of Austin Land Development Code. We oppose the proposed amendment as recommended by the Planning Commission. The attachment map lists the individual property information.

East 12th Street NCCD Recommended Changes

Site Development Standards

These standards regulate the size, height, and placement of new development and are primarily defined by subdistrict (see below) within the NCCD. Under current regulations some additional standards are located with the Urban Renewal Plan (URP) which supersedes the NCCD and other zoning regulations. The recommendations for the URP and NCCD are streamlined by placing all site development regulations within the NCCD.

Height

There are no recommended changes to the maximum height of buildings within the 12th St. NCCD which are outlined in the table below.

Subdistrict	Height (max.)
1	60 ft
2	50 ft
2a	35 ft
3	35 ft

Setbacks

Minimum setback requirements limit how close a structure can be built to the property line. There are no proposed changes to minimum setbacks in the 12th St. NCCD.

Compatibility

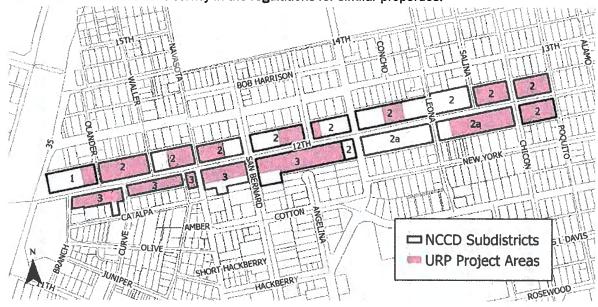

Compatibility standards add additional height and setback restrictions adjacent to properties with single-family zoning or that have low density residential or civic use. The 12th St. NCCD currently waives the compatibility standards that apply to properties generally because height and setbacks are defined contextually by subdistrict. The recommendation carries this forward.

Impervious Cover

Impervious cover is any type of surface that doesn't absorb rainfall and therefore limits the amount of the site that can be paved or covered by structures. There are no proposed changes to the current impervious cover maximums in the 12th St. NCCD.

Floor Area Ratio (FAR)

FAR describes the total building square footage permitted on a site in relation to the size of the site. Currently, along 12th St. there are no FAR limits for any property within a "project area" URP. Properties within the NCCD but outside the "project areas" have the FAR limits of their base zoning district. The recommendation is to remove the FAR limitations for all properties within the NCCD which will create more consistency in the regulations for similar properties.

Land Use Standards

The current East 12th Street NCCD uses two different methods to determine what is allowed on a specific property. First, the NCCD states that the uses for a given property are those allowed under the base zoning (LO, SF-3, LI, GR, MF-4, etc.) except for 26 prohibited uses listed below.

- Adult-Oriented Businesses
- Automotive Rental
- Automotive Repair
- Automotive Sales
- Automotive Washing
- Bail Bond Services
- Campground
- Carriage Stable
- Cocktail Lounge*
- Laundry Service
- Commercial Plasma Center
- Convenience Storage
- Drop-off recycling Collection Facility
- Drive Through Services as an accessory use to a restaurant

- Equipment Repair Services
- Equipment Sales
- Exterminating Services
- Kennels
- Liquor Sales
- Pawn Shop Services
- Outdoor Entertainment
- Outdoor Recreation
- Service Stations**
- Telecommunication Tower (if sited on ground)
- Vehicle Storage
- Veterinary Services

This list may not apply to all properties and zoning districts. For example, if a property is zoned SF-3 (allows a house, a house and accessory unit, duplex, etc.) the prohibition on Automobile Sales wouldn't apply since that use is not allowed in that zone. If a property is zoned CS (one of the most unrestricted zoning categories) the prohibition of Automobile Sales would affect that property since that zone allows Automobile Sales. A comprehensive review of Austin's zoning districts can be found at:

https://www.austintexas.gov/sites/default/files/files/Planning/zoning_guide.pdf

A list of zoning districts and the allowed uses can be found at:

https://www.austintexas.gov/sites/default/files/files/Planning/Zoning/permitted use chart.pdf

^{*}Cocktail lounge is a conditional use for 1808-1812 E 12th Street

^{**}Service station use is permitted for 1425 E 12th Street

The second condition involves the uses required for two-story or taller parking structures. For these buildings, depending on their height, most or all the ground floor facing East 12th Street must include one or more of the uses:

- Art gallery
- Art workshop
- Business support services
- Cocktail Lounge (permitted only at 1808-1812 E. 12th Street)
- Consumer convenience services
- Consumer repair services
- Cultural services
- Daycare services (limited)
- Day care services (general)
- Day care services (commercial)
- Financial services (without drive through service)

- Food preparation
- Food sales
- General retail sales (convenience)
- General retail Sales (general)
- Park and recreation services
- Pet services
- Personal improvement services
- Personal services
- Restaurant (limited) without a drivethrough service
- Restaurant (general) without a drivethrough service

The proposed changes to the East 12th Street NCCD employ a different approach to defining what uses are allowed than the current NCCD. The proposed allowed uses in the NCCD are listed below; however, to be allowed, a use must be allowed in a zoning district. For example, if a site has multifamily zoning (MF-1 through MF-6) then the Multi-Family Residential use would be allowed because it is allowed in that zone; however, a Theater Use would not be allowed because it is not available in that zone.

- Condominium Residential*
- Group Residential
- Multi-Family Residential
- Townhouse Residential (not allowed facing East 12th Street)
- Administrative and Business Offices
- Art Gallery
- Art Workshop
- A Cocktail Lounge is a permitted use limited to the ground floor of a building located at 1808-1812 East 12th Street. A cocktail lounge use is otherwise prohibited except as an accessory use to a hotel/motel use.
- Food Sales**
- Funeral Service (permitted use at 1300 East 12th Street and 1410 East 12th Street)
- General Retail Sales (Convenience)**
- Hotel/Motel (bedrooms may not be located on the ground floor of a building fronting East
 12th Street except at 810 and 900 East 12th Street)
- Indoor Entertainment
- Liquor Sales

- Medical Offices—not exceeding 5,000 sq./ft of gross floor space*
- Personal Improvement Services
- Personal Services
- Professional Offices
- Restaurant (Limited)**
- Restaurant (General)**
- Special Use Historic (C)
- Theater
- College & University Facilities only allowed on the second floor of a building
- Community Recreation (Private) (C)
- Community Recreation (Public) (C)
- Congregate Living (C)
- Counseling Services not allowed on the ground floor of a building on East 12th Street*
- Cultural Services
- Day Care Services (General) (C)
- Day Care Services (Limited)
- Family Home
- Group Home Class I (General)
- Group Home Class I (Limited)
- Group Home Class II
- Guidance Services not allowed on the ground floor of a building on East 12th Street*
- Local Utility Services
- Private Primary Educational Services (C)
- Private Secondary Educational (C)
- Services
- Public Primary Educational Services
- Public Secondary Educational Services
- Religious Assembly
- Safety Services (C)
- Telecommunication Tower (prohibited unless located on a rooftop)
- (C) Conditional use requires Planning Commission approval
- * Not allowed on a ground floor of a building facing East 12th Street
- **Only allowed on the ground floor of a building facing East 12th Street
