Honorable Members of the Independent Citizens Redistricting Commission (ICRC), Christina Puentes, Chair, Luis Gonzalez, Vice-Chair, Joshua Blank, Sara Inés Calderón, Erin Dempsey, Camellia Falcon, Errol Hardin, Shaina Kambo, Prabhu Kannan, Dr. Sterling Lands, Hoang Le, Brigham Morris, Eugene Schneider, and Selina Yee,

Please allow members of the public to participate virtually in ICRC public forums on Austin's 10-1 geographic representation districts. Austin has returned to stage 4 of Austin Public Health's Covid-19 guidance due to a dangerous resurgence of Covid-19 variants that are more deadly and spread much faster than Covid-19. Even people who have been fully vaccinated are experiencing breakthrough infections from the Covid-19 variants.

Please allow members of the public to participate virtually in all remaining public forums and please schedule additional virtual public forums to ensure that all people in Austin have ample opportunities to participate and provide input to the ICRC.

Thank you for your service and considering my comments.

Respectfully,

David King
District 5 Resident
Austin, TX 78704
