*** External Email - Exercise Caution ***

I live in Dist. 7 - we need to keep the boundaries of the district the same as much as possible after considering the growth. In drawing districts, it is important to have populations that are very similar values in the same district. The majority of Dist. 7 are family friendly homes with family activities. Tall buildings should be downtown where they are and attract a certain population.

Donna Beth McCormick - Allandale neighborhood former president and board member
