Hello!

My name is Erin Dempsey and I am one of the Commissioners on the above-referenced Commission. As you know, we are tasked with redrawing our city council maps this fall, and we have held numerous public forums to gain community insight regarding each of the districts.

The ICRC has retained George Korbel in his capacity as the mapping consultant for the ICRC. **Mr. Korbel has requested your home address** in order to **draw the first series of maps**. He wants to ensure that you are located within your district upon their release.

I know this is sensitive information, and I will only share this information with the ICRC Chair, Christina Puentes, and Mr. Korbel.

Please advise whether this is acceptable to you by responding with your home address.

Ideally we would appreciate this information by **4:00 pm, CST, on Monday, August 9th**.

Thank you for your time and please let me know if you have any questions.

Sincerely,  
Erin B. Dempsey
