ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND THE CITY OF AUSTIN

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code and Chapter 791 of the Texas Government Code, Travis County (the "County") and the City of Austin ("Participating Entity") enter into this agreement (this "Agreement") for the Travis County Clerk, as the County's election officer (the "Election Officer"), to conduct the Participating Entity's elections, including runoffs, and for the Participating Entity's use of the County's current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Texas Election Code, for all Participating Entity elections. The purpose of this Agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

Section 1. GENERAL PROVISIONS

- (A) Except as otherwise provided in this Agreement, the term "election" refers to any Participating Entity election, occurring on any uniform election date prescribed by the Texas Election Code or a primary election date, along with any resulting runoff, if necessary, within all Participating Entity's territory located in Travis County. If a runoff is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date. In the event that the Participating Entity (and any other entity for which the County is providing election services or for which the County is conducting a joint election) do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in Section 1(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible thereafter to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer the election, the new election will be based on all other applicable provisions of this Agreement except provisions that are inconsistent and cannot be feasibly applied.
- (C) Except as otherwise provided in this Agreement:
 - (1) The term "Election Officer" refers to the Travis County Clerk;
 - (2) The term "precinct" means all precincts in the territory of the Participating Entity located within Travis County.
 - (3) The term "election services" refers to services used to perform or supervise any or all of the duties and functions that the Election Officer determines necessary for the conduct of an election.
 - (4) The term "cost for election services" includes the costs for personnel, supplies, materials, or services needed for providing these services as

permitted by the Texas Election Code but does not refer to costs relating to the use of the voting equipment.

- (D) Except as otherwise provided in this Agreement, the cost for “use of voting equipment” for a particular election is the amount the County will charge the Participating Entity for use of the County’s voting equipment in use at the time of that election.
- (E) The Participating Entity agrees to commit the funds necessary to pay for all election-related expenses for Participating Entity elections in accordance with this Agreement.
- (F) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in Section 1(A).
- (G) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code, and the Participating Entity agrees to enter into any joint election agreement required by the County.

SECTION 2. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT; DUTIES OF THE ELECTION OFFICER AND OF THE PARTICIPATING ENTITY

The County shall make available to the Participating Entity the County’s current voting system and any future-acquired voting system as authorized under Title 8 of the Texas Election Code, subject to restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, special elections, and subsequent runoff elections, if applicable. The Election Officer may also impose restrictions and conditions to protect the equipment from misuse or damage.

SECTION 3. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section 1.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable laws, subject to Section 3(C) below.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (7) below and any other election duties, such as receipt of candidate applications, that are not allowed to be delegated to another governmental entity:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices, and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election, except that:
 - a. The Election Officer may provide newspaper notices on behalf of the Participating Entity with respect to a specific election if:
 - i. Not later than 60 days before election day for that election, the Participating Entity submits a written request to the Election Officer to provide newspaper notices on behalf of the Participating Entity, provides the Election Officer the content of the notices and information as which newspapers those notices are to be published and the dates of publication and any other information required by the Election Officer for providing newspaper notices, and
 - ii. The Participating Entity pays the Election Officer all costs associated with providing the newspaper notices.
 - b. With respect to each debt obligation election the Election Officer conducts for the Participating Entity pursuant to this Agreement:
 - i. The Election Officer, after receiving from the Participating Entity a copy of the debt obligation election order, shall post the notice required by and in accordance with Texas Election Code Section 4.003(f)(1) on election day and during early voting by personal appearance, in a prominent location at each polling place;
 - ii. The Election Officer shall provide written confirmation that to the Participating Entity that the debt obligation election order was posted in accordance with Texas Election Code Section 4.003(f)(1); and
 - iii. The Participating Entity shall pay any applicable expenses incurred by the Election Officer that directly relates to the posting required by Texas Election Code Section 4.003(f)(1).
- (2) Preparing the text for the Participating Entity's official ballot in English and Spanish and any other languages as required by law;
- (3) Providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
- (4) Conducting the official canvass of a Participating Entity election;
- (5) administering the Participating Entity's duties under state and local campaign finance laws;
- (6) having a Participating Entity representative serve as the custodian of its election records; and

- (7) Filing the Participating Entity's annual voting system report to the Secretary of State as required under Texas Election Code Chapter 123.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language, including any required language translations, and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory tabulations. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached. The Participating Entity shall be responsible for any and all actual costs associated with correcting the ballot and ballot programming if the error is discovered after the Participating Entity has signed off on its final proof containing the error.
- (E) The City Clerk will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. The City Clerk will serve as the Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots and forward these applications to the Joint Early Voting Clerk. The City Clerk will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Texas Election Code that the Election Officer will not perform.

SECTION 4. ELECTION WORKERS AND POLLING PLACES

- (A) For presentation to the governing body of the Participating Entity, the County shall provide a list containing the locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the Election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of Election Day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.

- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election services costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding the designation of polling places. If agreement cannot be reached, the Election Officer will resolve the differences. **In all cases, the Election Officer has sole discretion to determine whether polling place changes are necessary.**

SECTION 5. PAYMENTS FOR ELECTION SERVICES

- (A) Costs and payments for the use of voting equipment are addressed separately in Section 6 of this Agreement.
- (B) Requests for Election Services. For each election the Participating Entity desires the Election Officer to conduct, the Participating Entity must submit a written request to the Election Officer that describes the general nature of the election and specifies the date of the election. Each request for election services, including each request for the Election Officer to conduct a runoff election, must be accompanied by a non-refundable payment of \$150 to the Election Officer.
- (C) Cancellations. On or before 11:59 p.m. on the 68th day before an election for which the Participating Entity has requested election services, the Participating Entity shall notify the Election Officer as to whether the Participating Entity anticipates the cancellation of its election, and on or before 11:59 p.m. on the 60th day before the election the Participating Entity shall notify the Election Officer as to whether the Participating Entity will cancel that election. If the Election Officer receives written notice from the Participating Entity on or before 11:59 p.m. of the 60th day before an election that the Participating Entity's election will be cancelled, the Participating Entity will accrue no further costs relating to that cancelled election.
- (D) Notice, Cost Estimate, Initial Invoicing, and Initial Payment.
 - (1) Notwithstanding the provisions in Section 9(B), the County and the Participating Entity agree that notice under Section 5 can be provided via e-mail. The following e-mail address will be used for e-mail communications to or from the County pursuant to Section 5: elections@traviscountytx.gov, with a copy to Election.Entities@traviscountytx.gov. The Participating Entity has designated the City Clerk as the Participating Entity's representative for sending and receiving e-mail communications under Section 5, and the Participating Entity designates the following e-mail address as the Participating Entity's email address for sending and

receiving e-mail communications pursuant to Section 5:
Elections@austintexas.gov.

- (2) Initial Cost Estimate. On or before the 60th day before an election for which the Participating Entity has requested election services, the Election Officer will mail and/or email to the Participating Entity a cost estimate for conducting the election. The cost estimate will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's election, excluding the costs of voting equipment. In the event of a joint election, the cost estimate will reflect that election costs will be divided on a pro rata basis among all entities involved in the election in the manner set forth in this Section 5. The proportional cost for the Election Officer to conduct each participating entity's election will be calculated by dividing the number of registered voters in the territorial jurisdiction of each participating entity by the total number of registered voters for all of the participating entities involved in the joint election and multiplying that quotient by the total cost of the election. The product of these numbers is the pro rata cost share for each participating entity. The Participating Entity acknowledges and understands that if any other participating entity listed in the cost estimate cancels its election, each remaining participating entity's pro rata cost (including the Participating Entity's pro rata cost share) will result in a proportionate cost increase.
- (3) Initial Invoice and Initial Payment. Along with the initial cost estimate, the Election Officer will also include an initial invoice for the Participating Entity to pay 75% of the initial cost estimate. The Participating Entity must pay the County the amount specified in each invoice no later than 30 days after the Participating Entity's receipt of the invoice.
- (4) Runoff Elections. For each runoff election the Participating Entity has requested that the Election Officer conduct, the Participating Entity must make a payment equal to 75% of the projected costs for the runoff election no later than three business days after receiving that cost estimate from the Election Officer. The projected share of election costs will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's runoff election, excluding the costs of voting equipment.
- (5) Each party may change its respective email addresses for e-mail communications under this Section 5, without the need to amend this Agreement, by sending notice to the other party in accordance with Section 9(B).
- (F) Final Accounting and Final Invoice. The County will send the Participating Entity a final invoice of election expenses not later than 90 days after an election unless the Election Officer notifies the Participating Entity during that 90-day period

following the election that the Election Officer requires additional time to send a final invoice to the Participating Entity. The final invoice will include a listing of additional costs incurred at the Participating Entity's behalf and specify the total payment due from the Participating Entity for any unpaid portion of the Participating Entity's costs.

- (1) Within 30 days after receipt of an election cost invoice setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the balance due on each final invoice no later than 30 days after the Participating Entity's receipt of that invoice.
 - (2) A refund may be due from the County to the Participating Entity if the final costs are lower than the amount already paid by the Participating Entity or if, at the end of the calendar year, the County Auditor's Office makes adjustments to the election workers' payroll and the amount already paid by the Participating Entity for election worker payroll costs exceeds the payroll amounts calculated by the County Auditor's Office.
- (G) The Participating Entity shall promptly review an election invoice and any supporting documentation when received from the County. The Participating Entity may audit, during the County's normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice. Failure by the Participating Entity to timely pay an invoice in full may impact the Election Officer's participation in future elections with the Participating Entity.

SECTION 6. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using a voting system certified by the Secretary of State in accordance with the Texas Election Code and that has been approved for use by the Travis County Commissioners Court unless otherwise agreed upon by the Participating Entity, the Travis County Clerk, and the Travis County Commissioners Court.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's voting equipment.
 - (1) For each election the Election Officer conducts for the Participating Entity after January 1, 2021 through January 1, 2022, the Participating Entity shall pay one percent of the cost of the electronic voting system equipment installed at a polling place and one percent for each unit of other electronic equipment used by the Travis County Clerk's Office to conduct the election or provide election services.

- (2) In this Agreement "other electronic equipment" includes ballot marking devices, ballot scanners, ballot printers, ballot tabulators, and ballot programming software.
- (C) Payment by the Participating Entity to the County for voting equipment is due no later than 30 days after the Participating Entity's receipt of an invoice from the County.
- (D) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this Agreement, the charge for the use of the equipment may be renegotiated.

SECTION 7. ADDITIONAL EARLY VOTING LOCATIONS

- (A) All of the Participating Entity's voters within Travis County will have access to all of the Travis County Early Voting sites in each election at no additional cost.
- (B) If the Participating Entity desires to have one or more early voting sites that are in addition to those sites the Election Officer has already selected for a specific election, the Participating Entity must submit the request to the Election Officer no later than 60 days before the election, and the Election Officer will thereafter provide a written estimate to the Participating Entity that sets forth the estimated cost for providing the additional early voting location(s) and the deadline by which the cost estimate must be paid. If, after receiving the cost estimate, the Participating Entity desires to move forward with having the additional early voting location(s), the Participating Entity will notify the Election Officer and include payment of the cost estimate with the Participating Entity's notice to the Election Officer no later than the deadline specified in the Election Officer's cost estimate. *Pursuant to Texas Election Code Section 85.064(b) and notwithstanding any provision to the contrary, the Election Officer has sole discretion to determine whether to provide any additional early voting sites requested by the Participating Entity.*

SECTION 8. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this Agreement and provide the name and contact information for that individual to the other party. Each party may change their designated staff members by sending notice to the other party without the further need to amend this Agreement.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications on issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this Agreement and, when necessary, the County Clerk, Elections Division staff

members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.

- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

JOINT ELECTION AGREEMENT BETWEEN HAYS COUNTY AND THE CITY OF AUSTIN

This Joint Election Agreement ("Agreement") is entered into on August 11, 2021, between the City of Austin, (the "City") P.O. Box 1088, Austin, Texas 78767 and Hays County (the "County"), 712 S. Stagecoach Trail, Suite 1012, San Marcos, Texas 78666, collectively referred to as the Parties.

This Agreement is authorized by Chapter 31 of the Texas Election Code, Chapter 791 of the Texas Government Code and Section 271.002 and 271.003 of the Texas Election Code. The Parties to the Agreement agree as follows:

Section 1. *Scope of Agreement.* The City enters into this Agreement for the conduct of the elections to be held from August 2021 through July 2022.

Section 2. *Appointment of Election Officer.* The City appoints the Hays County Elections Administrator to serve as the Election Officer (the "Officer") in order to perform and supervise the duties and responsibilities of the Election Officer for any election from August 2021 through July 2022.

Section 3. *Early Voting Polling Locations.* To facilitate the administration of elections, and as a convenience to the voters, during the early voting period established by statute, the City agrees to designate the Hays County Election Administrator's Office, 712 South Stagecoach Trail, Suite 1012, San Marcos, Texas 78666 as the main early voting polling place for the City voters registered in Hays County. Furthermore, the City agrees to designate temporary branch early polling places in accordance with Section 85.062, Election Code, V.T.C.A. as called out in the latest Election Orders.

Section 4. *Voting by Mail Ballot.* The City and County agree that early voting by mail ballot shall be conducted in accordance with the applicable provisions of the Texas Election Code and that 712 South Stagecoach Trail, Suite 1012 San Marcos, Texas 78666 is the early voting clerk's mailing address to which ballot applications and ballots voted by mail shall be sent for the City.

Section 5. *Election Day Polling Locations.* Election Day voting shall be held in approved vote centers where appropriate at the dates, times, and locations recommended by the Election Officer and authorized and ordered by the governing body of the City.

Section 6. *Election Day.* On Election Day, all forms used in the conduct of the election, including but not limited to the poll list, signature roster, ballot registers, expense accounts, and all oaths and certificates will be used jointly by the two agencies. All forms will be returned to the Hays County Election Administrator who shall keep them in her custody for the period of time prescribed by the Texas Election Code. The County agrees to furnish the City with copies of any election documents upon the City's request at no charge.

Section 7. Use of Common Ballot. It is agreed by the parties to this Agreement that a common ballot will be used for joint elections. The USB ("USB") containing the voted ballots for an election will be delivered by the Election Judges to the Hays County Election Administrator's office at 712 South Stagecoach Trail, Suite 1012, San Marcos, Texas and the USB'S will remain in the Hays County Election Administrator's custody, except that the County agrees to provide the City with the necessary documentation, if requested, for canvass of an election or in the event the voted ballots are required for a recount or any court proceedings in which the City may be a party. The County agrees to maintain custody of the USB'S containing the voted ballots for the period of time prescribed by the Texas Election Code. All USB'S that are not placed in active voting equipment will remain locked in the Officers' office. USBs will not be replaced without being logged out and checked out by the Officer at any time during an election. An audit shall be conducted to ensure that all USBs are present and accounted for. A spreadsheet shall be completed at the end of Early Voting and Election Day returns that will identify the number of signatures on the Combination Log and the Number of Cancelled booths, for a representation of voter totals. All replaced equipment will remain secured until after tabulation to ensure that all checks and balances have been satisfied.

Section 8. Reporting of Returns. The Officer shall prepare the unofficial and official tabulation of precinct results under Section 66.056(a) of the Texas Election Code. The unofficial tabulation of Early Voting precinct results and Election Day precinct results shall be made available to the City via email as soon as they are prepared and may be released under law, but no earlier than 7:00 p.m. on Election Day. The Officer or their designee will use their best efforts to post all reports for public review on the Hays County Elections website at www.co.hays.tx.us/elections as soon as reasonably possible.

Section 9. Cost Sharing. The City agrees to the cost sharing provisions below. This includes Hays County, the school districts of the county, the cities of the county, and the water districts and all other entities contracting for election services. The costs incurred with Early Voting locations and Early Voting Clerks will be shared only by entities utilizing the polling location for their individual election contest.

The formula is as follows:

Example:

| | | | |
|---------------------------------------|---------|--------------------|----------------------|
| Registered Voters in County - | 135,000 | $135,000/255,000=$ | 52.94% of total cost |
| Registered Voters in Joint Entity A - | 100,000 | $100,000/255,000=$ | 39.23% of total cost |
| Registered Voters in Joint Entity B - | 20,000 | $20,000/255,000=$ | 7.84% of total cost |
| Aggregate Registered Voters - | 255,000 | | |

\$1,000 dollar minimum cost for elections that don't exceed that total. Since programming and supplies would exceed the cost of elections with very small voter registration populations. Equipment Rental Fees allocated separately.

Section 10. *Amendments.* This Agreement may not be amended or modified except in writing and executed by both the City and the County. Neither party may assign this Agreement without the written consent of the other party. However, the Officer may assign deputies to perform any of the contracted services and may contract with third persons for election services and supplies.

Section 11. *Effective Date.* This Agreement contains the entire agreement between the parties and supersedes all prior understandings and agreements between the parties regarding such matters. The term of this Agreement will commence on August 1, 2021 and end on July 31, 2022.

Section 12. *Force Majeure.* Either of the parties to this Agreement shall be excused from any delays and/or failures in the performance of the terms and conditions of this Contract, to the extent that such delays and/or failures result from causes beyond the delaying/failing party's reasonable control, including but not limited to war (whether declared or not), armed conflict or the serious threat of the same (including but not limited to hostile attack, blockade, military embargo), hostilities, invasion, act of a foreign enemy, extensive military mobilization, civil war, riot, rebellion, revolution, military or usurped power, insurrection, civil commotion or disorder, mob violence, act of civil disobedience, act of terrorism, sabotage or piracy; plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine, social distancing, isolation or other behavioral restrictions; act of authority whether lawful or unlawful, compliance with any law or governmental order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure of works, requisition, nationalization; act of God or natural disaster such as but not limited to violent storm, cyclone, typhoon, hurricane, tornado, earthquake, landslide, flood, damage or destruction by lightning, drought; explosion, fire, destruction of machines, equipment and of any kind of installation, prolonged breakdown of transport, telecommunication or electric current; shortage or inability to obtain critical material or supplies to the extent not subject to the reasonable control of the subject party ("force majeure event") whether foreseeable or unforeseeable by the parties at the time of the execution of this Agreement. Any delaying/failing party shall, with all reasonable diligence, attempt to remedy the cause of delay and/or failure and shall recommence all remaining duties under this Agreement within a reasonable time of such remedy, or, when applicable, on the next available dates under the Texas Election Code.

Section 13. Should any provision in this Agreement be found or deemed to be invalid, this Agreement will be construed as not containing the provision and all other provisions which are otherwise lawful will remain in full force and effect, and to this end the provisions of this Agreement are declared to be severable. In case any one or more of the provisions contained in this Agreement are for any reason held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision thereof, and this

Agreement will be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

Section 14. Any notice provided for under this Agreement will be forwarded to the following addresses:

This Contract supersedes any and all prior contracts and agreements to conduct joint elections between a Participating Authority and the Williamson County Elections Office.

RECITALS

WHEREAS, each Participating Authority listed above plans to hold an election on November 2, 2021;

WHEREAS, Williamson County owns an electronic voting system, the Election System and Software (ES&S) EVS 6100 voting system, which includes the DS200 precinct scanner, the DS850 central scanner and the ExpressVote ballot marking device and has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The Participating Authorities desire to use Williamson County's electronic voting system, to compensate Williamson County for such use, and to share in certain other expenses connected with joint elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended, and

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED, as follows:

I. ADMINISTRATION

The Participating Authorities agree to hold a "Joint Election" with Williamson County and each other in accordance with Chapter 271 of the Texas Election Code and this Contract. The Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Contract. Each Participating Authority agrees to pay the Elections Administrator for equipment, programming, election personnel, supplies, services, and administrative costs as provided in this Contract. The Elections Administrator shall serve as the Election Officer for the Joint Election; however, each Participating Authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each Participating Authority as necessary.

It is understood that other political subdivisions and districts may wish to participate in the use of Williamson County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this Contract. In such cases, costs shall be pro-rated among the participants according to Section XII of this Contract.

II. LEGAL DOCUMENTS

Each Participating Authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the Participating Authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting equipment testing notices that are required by the Texas Election Code. Election orders should include language that would not necessitate amending the order if any of the Early Voting and/or Election Day polling places change.

Preparation of the necessary materials for notices and the official ballot language shall be the responsibility of each Participating Authority, including providing the text in English and Spanish. Each Participating Authority shall provide a copy of their respective election orders and notices to the Elections Administrator.

III. NONPERFORMANCE

The Elections Administrator will inform each Participating Authority of any problems or deficiencies in their respective performance of obligations under this contract, including but not limited to non-adherence to deadlines for requests for information of each Participating Authority by the Elections Administrator, and may set a reasonable period of time to cure or obtain adequate assurance that any such problems or deficiencies will be timely addressed and corrected. **The Participating Authority's failure to cure problems or deficiencies related to its obligations, duties, and responsibilities in accordance with all terms and conditions of this Agreement will be considered in any future contracts with Elections Administrator or Williamson County, and any Participating Authority failing to perform will reimburse Elections Administrator for any additional costs and expenses to Williamson County, including all costs associated with interference of conducting the election.**

IV. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed Election Day voting locations are listed in **Attachment B** of this Contract and may be amended. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in **Attachment B**.

If polling places for the November 2, 2021 Joint Election are different from the polling place(s) used by a Participating Authority in its most recent election, the Participating Authority agrees to post a notice no later than November 2, 2021 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and listing the Participating Authority's polling place names and addresses in effect for the November 2, 2021 election. This notice shall be written in both the English and Spanish languages.

V. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The Elections Administrator will recruit all election workers.

The Elections Administrator will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve and meet the eligibility requirements in Subchapter C of Chapter 32 of the Texas Election Code and meet any requirements to serve as an Election Worker set forth by the Williamson County Commissioners Court.

The Elections Administrator shall arrange for the training and compensation of all election judges, clerks, and election personnel. The Elections Administrator shall arrange for the date, time, and place for the presiding election judges to pick up their election supplies. As set forth in Sec. 32.009 of the Texas Election Code, each presiding election judge and alternate presiding judge shall be given written notice of their appointment. The notice from the Elections Administrator will include the polling location and the number of election clerks the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Williamson County pursuant to Texas Election Code Section 32.091. The election judge, or his/her designee, will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The compensation rates established by Williamson County are:

Early Voting – Early Voting Supervisor (\$12 an hour), Clerks (\$10 an hour)

Election Day – Presiding Judge (\$12 an hour), Alternate Judge (\$10 an hour), Clerk (\$10 an hour)

Election judges and clerks who attend voting equipment and procedures training shall be compensated at the hourly rates listed above.

The Elections Administrator may employ other personnel as necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during Early Voting and on Election Day, for the efficient tabulation of ballots at the central counting station, and for the post-election processes conducted by warehouse personnel. Part-time personnel working in support of the Early Voting Ballot Board and/or central counting station on Election Night will be compensated at the hourly rate set by Williamson County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

In accordance with Sec. 31.098 of the Texas Election Code, the Elections Administrator is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Elections Administrator and reimbursed by the Participating Authorities.

VI. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, Williamson County's electronic voting system and equipment, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. A voter may not be permitted to select a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each Participating Authority shall furnish the Elections Administrator with a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles of offices and text in both English and Spanish languages). The Participating Authorities are required to submit information in a format or template requested by the Elections Office. Each Participating Authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. Each Participating Authority shall also be responsible for proofing and approving the audio recording of the ballot insofar as it pertains to that authority's candidates and/or propositions.

In the event a Participating Authority identifies an error after approval of their respective ballot proof(s), and any programming and/or audio files require changes, the Participating Authority approving the original ballot and audio proof will be responsible for the full cost of reprogramming, if required. This will include the cost of reprogramming ballot language and/or audio files for other Participating Authorities as necessary due to software limitations.

Early Voting by Personal Appearance and/or the use of Vote Centers, Texas Election Code Section 43.007, on Election Day shall be conducted exclusively on Williamson County's EVS 6100 electronic voting system. Provisional ballots will be cast on the EVS 6100 system, as well.

The Elections Administrator shall be responsible for the programming, preparation, testing, and delivery of the voting system equipment for the election as required by the Election Code.

The Elections Administrator shall conduct criminal background checks for relevant election officials, staff, and temporary workers upon hiring as required by Election Code 129.051(g).

Each Participating Authority agrees to appoint the Elections Administrator's permanent county employees as Deputy Early Voting clerks. The Participating Authorities further agree that the Elections Administrator may appoint other Deputy Early Voting clerks to assist in the conduct of Early Voting as necessary, and that these additional Deputy Early Voting clerks shall be compensated at an hourly rate set by Williamson County pursuant to Section 83.052 of the Texas Election Code. Deputy Early Voting clerks who are permanent employees of the Williamson County Elections Administrator may be paid from the election services contract fund for contractual duties performed outside of normal business hours (Sec. 31.100(e), Texas Election Code).

Early Voting by personal appearance will be held at the locations, dates, and times listed in **Attachment C** of this document and may be amended. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in **Attachment C**. Any Williamson County qualified voter of the Joint Election may vote early by personal appearance at any one of the joint Early Voting locations.

As Early Voting Clerk, the Elections Administrator shall receive applications for Early Voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. VIII. EARLY VOTING BALLOT BOARD

Williamson County shall appoint an Early Voting Ballot Board (EVBB) to process Early Voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Administrator, shall appoint two or more additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the Early Voting ballots.

IX. CENTRAL COUNTING STATION AND ELECTION RETURNS

The Elections Administrator will take the necessary steps for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this Contract.

The Counting Station Manager or an approved representative shall deliver timely cumulative reports of the election results as precincts report to the central counting station and are tabulated. The Counting Station Manager shall be responsible for releasing unofficial cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public by distribution of electronic copies at the central counting station and by posting to the Williamson County Elections Office webpage. To ensure the accuracy of reported election returns, results printed on the tapes produced by Williamson County's voting equipment will not be released to the Participating Authorities at any individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004, after all precincts have been counted and will deliver a copy of the unofficial canvass to each Participating Authority as soon as possible after all returns have been tabulated. Each Participating Authority shall be responsible for the official canvass of its respective election(s). The official canvass of election shall not take place before November 5, 2021 and no later than November 15, 2021.

The Elections Administrator will prepare the electronic precinct-by-precinct results reports for uploading to the Secretary of State as required by Section 67.017 of the Election Code. Each Participating Authority agrees to upload these reports.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each Participating Authority and the Secretary of State's Office.

X. PARTICIPATING AUTHORITIES WITH TERRITORY OUTSIDE WILLIAMSON COUNTY

Williamson County Elections will consider conducting elections in territories outside of Williamson County on a case-by-case basis.

XI. RUNOFF ELECTIONS

Each Participating Authority shall have the option of extending the terms of this Contract through its runoff election, if applicable. In the event of such runoff election, the terms of this Contract shall automatically extend unless the Participating Authority notifies the Elections Administrator in writing within 3 business days of the original election.

Each Participating Authority shall reserve the right to reduce the number of Early Voting locations and/or Election Day voting locations in a runoff election. If necessary, any voting changes made by a Participating Authority between the original election and the runoff election shall be submitted by the authority making the change to the United States Department of Justice for the preclearance required by the Federal Voting Rights Act of 1965, as amended.

Each Participating Authority agrees to order any runoff election(s) at its meeting for canvassing the votes from the November 2, 2021 election and to conduct its drawing for ballot positions at or immediately following such meeting in order to expedite preparations for its runoff election.

Each Participating Authority eligible to hold runoff elections after the November 2, 2021 Uniform Election Date agrees that the date of a necessary runoff election shall be held in accordance with the Election Code.

XII. ELECTION EXPENSES AND ALLOCATION OF COSTS

Charges. In consideration for the joint election services provided hereunder by the Elections Administrator, the Participating Authorities will be charged a share of election costs, a staffing agency fee for election workers, an administrative fee, and for the lease of voting equipment.

1. **Share of Election Costs.** Each Participating Authority's share of election costs will be (i) a base fee of \$1,000.00, (ii) plus a pro rata share of the total of all costs incurred by the Elections Administrator in connection with the administration of elections of other entities held at the same time as the election. The sum of the base charges from all Participating Authorities will be subtracted from the total of all costs before allocating the remaining costs to each Participating Authority. Each Participating Authority's share of the remaining (allocated) costs will be determined as follows: The number of registered voters in each individual Participating Authority will be divided by the number of all registered voters of all Participating Authorities to determine each entity's pro rata share expressed as a percentage, which will then be multiplied against each of the allocated costs (remaining costs after base charges are subtracted) as itemized on the final Total Cost report/invoice submitted to each

Participating Authority after the election. The end result will be a charge to the Participating Authority of \$1,000.00 plus the Participating Authority's allocated share of county-wide election costs not covered by the sum of all base fees received.

2. Each Participating Authority's share of the staffing agency fee for election workers will be determined on a pro rata basis. The staffing agency fee is based on a markup cost percentage of 27% of the gross wages of election workers not classified as employees of Williamson County.
3. Lease of Voting Equipment. Per Texas Election Code Section 123.032(d), the Williamson County Commissioners Court has established the following prices for leasing county-owned voting equipment:
 - \$250.00 per ExpressVote Ballot Marking Device
 - \$400.00 per DS200 Precinct Scanner;
 - \$6,000.00 per DS850 Central Count scanner to cover the duration of the election;
 - \$250.00 per electronic pollbook.

The Participating Authority's share of voting equipment costs will be determined on a pro rata basis. Leasing cost will be calculated once for the Early Voting period and once for Election Day. If the County acquires additional equipment, different voting equipment, or upgrades existing equipment during the term of this Contract, the charge for the use of the equipment may be reset by the Williamson County Commissioners Court.

4. Administrative Fee. Each Participating Authority agrees to pay the Williamson County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs, less the staffing agency fee, in accordance with Section 31.100(d) of the Texas Election Code.

The Elections Administrator shall deposit all funds payable under this Contract into the appropriate fund(s) within the Williamson County treasury in accordance with Election Code Section 31.100.

XIII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Any Participating Authority may withdraw from this Contract and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code.

XIV. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each Participating Authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of County records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each Participating Authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the Participating Authority.

XV. RECOUNTS OR CONTESTED ELECTION

A recount may be obtained as provided by Title 13 of the Texas Election Code. By signing this document, the presiding officer of the contracting Participating Authority agrees that any recount shall take place at the offices of the Elections Administrator or at a location of the Elections Administrator's choosing, and that the Elections Administrator shall serve as Recount Supervisor and the Participating Authority's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

In the event of a contested election, the expenses of a new election ordered by a court of competent jurisdiction or Participating Authority will be paid for and by the Participating Authority in accordance with Texas Election Code 221.014

The Elections Administrator agrees to provide advisory services to each Participating Authority as necessary to conduct a proper recount.

XVI. MISCELLANEOUS PROVISIONS

1. The Elections Administrator shall file copies of this document with the Williamson County Treasurer and the Williamson County Auditor in accordance with Section 31.099 of the Texas Election Code.
2. Nothing in this Contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this Contract or a violation of the Texas Election Code.
3. This Contract shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.
4. In the event that one of more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
5. All parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.
6. The waiver by any party of a breach of any provision of this Contract shall not operate as or be construed as a waiver of any subsequent breach.
7. Any amendments of this Contract shall be of no effect unless in writing and signed by all parties hereto.
8. Participating Authority agrees to act in good faith in the performance of this agreement, and shall immediately contact and notify the Elections Administrator of any potential problems or issues relevant to the subject matter of this contract.

XVII. COST ESTIMATES AND DEPOSIT OF FUNDS

The total *estimated* cost for the November 2, 2021 election is \$750,000.00 and is based partly on the costs of the November 5, 2019 joint general special election. After the final determination has been made of whom the Participating Authorities will be and the Contracts are fully executed, the Elections Administrator shall provide each Participating Authority with an official cost estimate. Each Participating Authority's percent share of the estimated total cost is based on the number of registered voters and further described in Section XII.1. of this Contract. Each Participating Authority agrees to pay the Williamson County Elections Administrator a deposit of 50% of the *estimated obligation* no later than 30 days after receiving the official cost estimate. As soon as reasonably possible after the election, the Elections Administrator will submit an itemized invoice to each Participating Authority based on the actual expenses (supported by documentation such as time sheets, compensation forms, and invoices) directly attributable to the services provided by the Elections Administrator. The exact amount of each Participating Authority's obligation under the terms of this Contract shall be calculated after the election (or runoff election, if applicable); and, if the amount of an Authority's total obligation exceeds the amount deposited, the authority shall pay to the Elections Administrator the balance due within 30 days after the receipt of the final invoice from the Elections Administrator. However, if the amount of the authority's total obligation is less than the amount deposited, the Elections Administrator shall refund to the authority the excess amount paid within 30 days after the final costs are calculated.
