Commissioners: The Historic Review Committee of the Bryker Woods Neighborhood Association has been in contact with the owner of 1908 W 33rd, and reviewed and discussed the conceptual drawings they sent to us . We do not feel that the conceptual drawings (they are stamped "**NOT FOR REGULATORY APPROVAL, PERMITTING OR CONSTRUCTION**") are sufficient to make a decision and respectfully request a POSTPONEMENT of this hearing until next month, giving the owner/architect time to finalize their building plans and giving us time to review them. We would like to point out that this property is a Contributing Property to the Old West Austin Historic District, built in 1949 and has outstanding stonework on the front.

Thank you for your consideration.
