

The Austin Transit Partnership, Capital Metro Board and Austin City Council will meet jointly on October 4 and October 29, 2021 to discuss and consider topics related to agreements for Project Connect.

- On October 4, the meeting will include a staff briefing and policy-maker discussion, and public comment; no action will be taken.
- On October 29, action by each party might be taken to support the partnership. Public comment will be taken.

This table below is a draft list of actions items and where you may find the drafts. These actions are intended to further articulate the three parties' commitment to partnership and the delivery of the Project Connect high-capacity transit program.

Organization	Draft Documents	Where to find the draft documents
Capital Metro	<p>Resolution directing the CapMetro President/CEO to continue coordination with the City of Austin, specifically regarding opportunities to enhance regulatory flexibility and create context-sensitive regulations and procedures to ensure the on-time delivery of the Project Connect program of projects.</p> <p>Resolution directing the CapMetro President/CEO to execute the Joint Powers Agreement with the City of Austin and Capital Metro, for the purposes of guiding the implementation of the Project Connect high-capacity transit program.</p>	<p>Capital Metro Board Website</p>
