The City may convert all of the remaining land within the District to full purpose annexation status at such time as it determines such conversion to be appropriate, subject to the terms of the Consent Agreement and this SPA, but, except as otherwise provided in the Consent Agreement, in no event sooner than December 31, 2044. In accordance with Sections 43.0751(f)(5) and 43.0751(h), Texas Local Government Code, the District and the City agree that any land within the District which has not been previously annexed by the City for full purposes may be converted to full purpose annexation status on or after December 31, 2044, at the City’s sole discretion. This full purpose annexation conversion may be effected by City Council adoption of an ordinance including the area of the District within the full purpose City limits. Except as set out in this SPA, no additional procedural or substantive requirements of State or local annexation law will apply to such annexation or to the annexation ordinance.”

2. Effect of Amendment. Except as specifically provided in this Amendment, the terms of the SPA continue to govern the rights and obligations of the parties, and all terms of the SPA remain in full force and effect. 3. Execution. This Amendment may be executed in multiple counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument. An electronic signature, a facsimile or other electronic copy of an original signature, and a counterpart transmitted electronically (*e.g.*, by fax, email, text, or similar means), will be deemed to be, and will have the same force and effect as, an original signature for all purposes.
