The City of Austin is committed to compliance with the American with Disabilities Act. Reasonable modifications and equal access to communications will be provided upon request. Meeting locations are planned with wheelchair access. If requiring Sign Language Interpreters or alternative formats, please give notice at least 2 days (48 hours) before the meeting date. Please call the Historic Preservation Office at 512-974-3393 for additional information; TTY users route through Relay Texas at 711.

For more information on the Historic Landmark Commission, please contact Elizabeth Brummett, Manager, Historic Preservation Office, at 512-974-1264; Steve Sadowsky, Historic Preservation Officer, at 512-974-6454; Kalan Contreras, Senior Planner, at 512-974-2727; or Amber Allen, Historic Preservation Planner II, at 512-974-3393.

### **REGISTER TO SPEAK INSTRUCTIONS**

Participants who wish to speak during the Public Hearing will be able to register at the meeting. A sign-in binder will be available on the limestone ledge as you enter Council Chambers 30 minutes prior to the meeting and will be closed at 6:00 PM when the meeting has started, so please arrive early if you wish to register to speak. In the binder, each agenda item will have its own speaker registration page with 3 sections. The first section is for the Applicant/Owner Team. The second and third sections will be for citizen comments, one for those who wish to speak in favor of the item, and the other for those who wish to speak in opposition to the item. If you do not sign-in to speak by the beginning of the meeting, then you will not be able to speak the duration of the meeting.

### **COVID 19 PROTOCOLS & REQUIREMENTS**

Participants are required to wear masks while on City property and should observe social distancing. Disposable masks will be provided to anyone who is not wearing proper face coverings.

### **PARKING & VALIDATION**

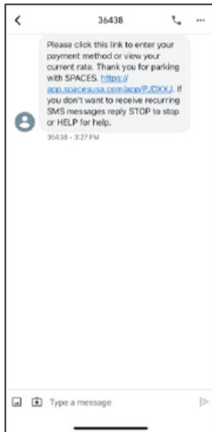

Parking is available at the City Hall parking garage and is free with validation.

A stamp machine will be available to manually stamp the parking ticket.

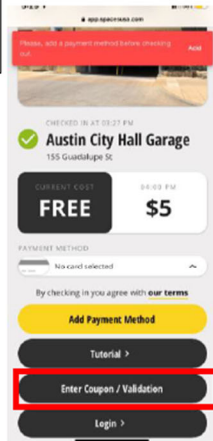

A second option will be to use a new touch-free parking process which allows drivers to enter the garage and park using their smartphones. This technology is phone number based, allowing drivers to call phone numbers that will be posted in the lanes to enter or exit. No app download is required. This video shows how the technology works. Note the video does not demonstrate the available coupon /code option, see attached document. Attached is a reference document that shows how a person can validate their parking using a QR code which will be displayed in chambers. *See additional information below.*

# SPACES Parking Validation Process – QR Code

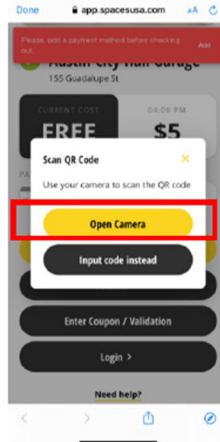

1. Click link in text message that SPACES sent.

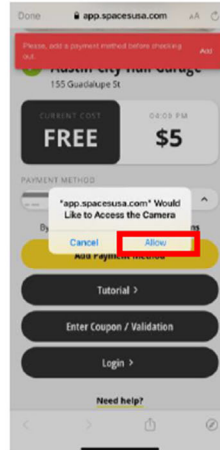

2. Click "Enter Coupon/Validation."

3. Click "Open Camera" from box that pops up.

4. Click "Allow."

5. Camera will open with box.

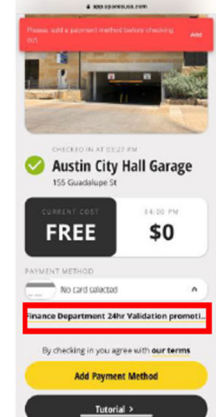

6. Point camera at QR code on display. It can take a few seconds to recognize. Parker may need to move their phone closer or farther away to get it to work.

Note: If QR code doesn't work, click "input QR instead" and type the number code that can be found below the QR code on the display.

7. Once QR code is recognized, the camera will disappear. A 24-hour validation will appear on screen.

Validation is complete. Parker can head to garage and exit by calling the exit phone number. After exiting, they will get a text receipt.
