Good morning, Elizabeth and Steve,

Per the below, the owners of 1601 Cedar Avenue have requested that the demolition permit be withdrawn. As was discussed at the Architectural Review Committee, would you please accordingly remove the historic zoning case from the scheduled meeting. We will send the confirmation from DSD when we get it.

Thank you!

Hello,

I have decided per the advice of my attorney that I would like to withdraw my demolition permit application for this file. Can you please confirm receipt of this request?

Thank you

Garrett
