Hello,
I am happy to see my email input being posted and reviewed by the commission.
However, it seems my email is the only one (or one of very few) that does not have the email address redacted.
Could you fix please?
Thank you.

Hello,
I am district 7 resident in Crestview. I was unable to attend the community meeting, but I watched the replay. I would like to submit my worksheet via email, if that's allowed. I also attempted to redraw lines for other districts as well, as I used to live in Millwood neighborhood.

My rationale:
Brentwood, Allendale, and Crestview neighborhoods are increasing urban areas. The neighborhood characteristics are drastically different from more suburban areas north of Braker Ln. Therefore, these central neighborhood (south of 183, north of Koenig, between I35 and Mopac) should be in District 4.

The Millwood area has suffered from being split between Districts 6&7. The McNeil corridor should should all be in District 7 to allow development opportunities.

Because District 4 is taking in denser central areas, it is only fair to give East of I35 areas to District 1.

District 9 suffers from being split by the river, should give up area south of river, and consolidate north of river, south of Koenig, between Mopac and I-35.

Thank you for the opportunity to provide my input.

Thanks.
