Subject: WHERE IS THE MAP?

*** External Email - Exercise Caution ***

Honestly, I do not understand you folks.

I'm on your mailing list, I've joined your FB page.

But I have to find out from reading the Statesman that you released the preliminary map. They even published an image of it.

I went to these pages immediately:

https://www.austintexas.gov/cityclerk/boards_commissions/meetings/116_1.htm

<https://www.facebook.com/AustinRedistrict>

<https://redistrictatx.org>

on NONE of these pages is the map. Its Friday at 3pm, 3 days after it was presented.

Is it that impossibly hard to put this map in some public place for people to find and see and download?

Its like you literally want to avoid people seeing it or offering any feedback.

I am always thankful for volunteers doing a job, but this is nuts. Post the map please.
