Subject: FW: Board of Adjustment 2022 Meeting Schedule

Chair Cohen,

The Office of the City Clerk will book the January and February meeting dates at City Hall per the request. However, please refer to the attached memo which was distributed to the Chairs of all of the land use commissions regarding the meeting location changes scheduled for 2022. Based on this direction, the Clerk's Office is unable to book any additional reservations at this time for BOA at City Hall. I would recommend reaching out the PDC to book the remaining 2022 meetings at the new Center. If you have questions about facility use decisions, please reach out to Jason Alexander in the City Manager's Office.

In addition, staff may want to confirm the resolution that was sent, the one provided to the Clerk's Office was from the ZAP Commission.
