Subject: Proposed District 8 Map for City Council

*** External Email - Exercise Caution ***

I write to express my disagreement with the proposed boundary for District 8 in the proposed city council district map. I do not believe that stretching the boundary of D8 to include the neighborhoods in a thin sliver north of the cities of Rollingwood and West Lake Hills is appropriate. This does not make sense given the charter to encourage geographic compactness in the redrawing of the districts. The communities in SW Austin are very different from Rollingwood and West Lake Hills. I reside in Southwest Austin and I urge you to reconsider moving precincts 212, 221, 307, 318 and 338 from D10 to D8.
