Thank you for your time. I am concerned that my District is being redrawn to include areas that aren't geographically near to me or have the same needs as my neighborhood. Why does the proposed map of District 8 include areas north of Westlake hills and Rollingwood?

Wouldn't it make more sense for them to be with their neighbors in District 10? Austin City Charter, V, A, 5 indicates: "To the extent possible, district boundaries shall be drawn to encourage geographical compactness such that nearby areas of population are not bypassed for more distant populations." Please remove those precincts that aren't our neighbors from our map.

Thank you,

Elisa Kissinger
