Subject: Opposition to the new City Council District maps

*** External Email - Exercise Caution ***

Dear Commissioners,

I am opposed to the new City Council District maps. The newly drawn section that includes Precincts 212, 221, 307, 318, 338 from District 10 to District 8 makes District 8 too large in population, which would dilute the representation we currently have in SW Austin.

We encourage you to use the boundary of Eanes ISD as the natural boundary of the District and revert to the original maps submitted by the committee.

Thank you,
Courtney Perry
