I would like to voice our opposition to the proposed move of records from its current district 10 to district 9 nine.

Separating our neighborhood from all of the adjacent neighborhoods, which include Pemberton and Tarrytown, serves no purpose other than political gain for select few.

Our interests here align more closely with our immediate neighbors. Adding our numbers to district that includes areas as far away as Oltorf makes no sense it is simply an example of gerrymandering gone awry.
