Subject: Proposed change to City Council District 8

*** External Email - Exercise Caution ***

Dear Commissioners,

I am opposed to the proposed changes to City Council District 8. They would:

- increase the population of District 8 by adding 5 precincts, making it the district with the highest population in the city;
- add an area near Lake Austin that is not contiguous with the remainder of the district, and
- disregard the goal of maintaining communities of interest within a district.

Please do not make the proposed changes to District 8.

Sincerely,

David M. Douglas
