Hello!

I have a couple questions about deadlines for redistricting map submissions and the general timeline of the redistricting process that I couldn't find the answers to on your website. Specifically, until when are map submissions accepted, does the county have a deadline for when it must approve a new map, and is there a public commenting period once draft maps are released?

Is this the proper place for these questions, or is there somewhere else I should go?

Thanks!
