Officers and Commission members the NAACP/Hispanic Coalition has been in discussions with Mr. Korbel for a time about ways to improve the Hispanic vote in District 3

And respond to some of the concerns from D9

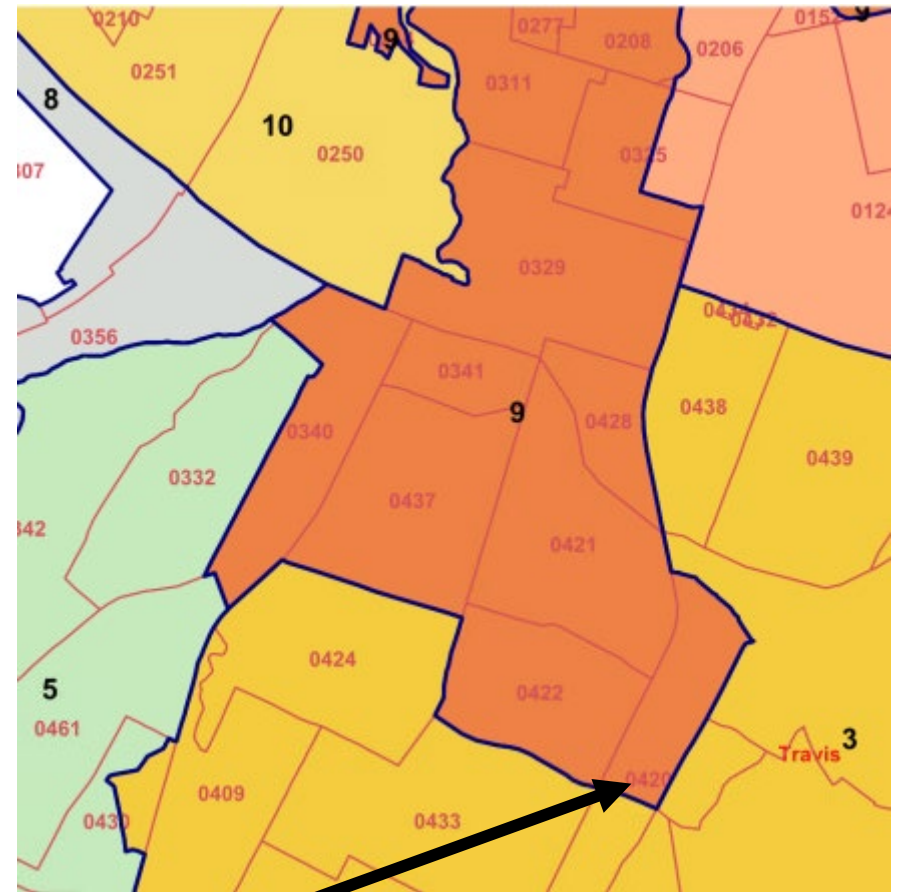

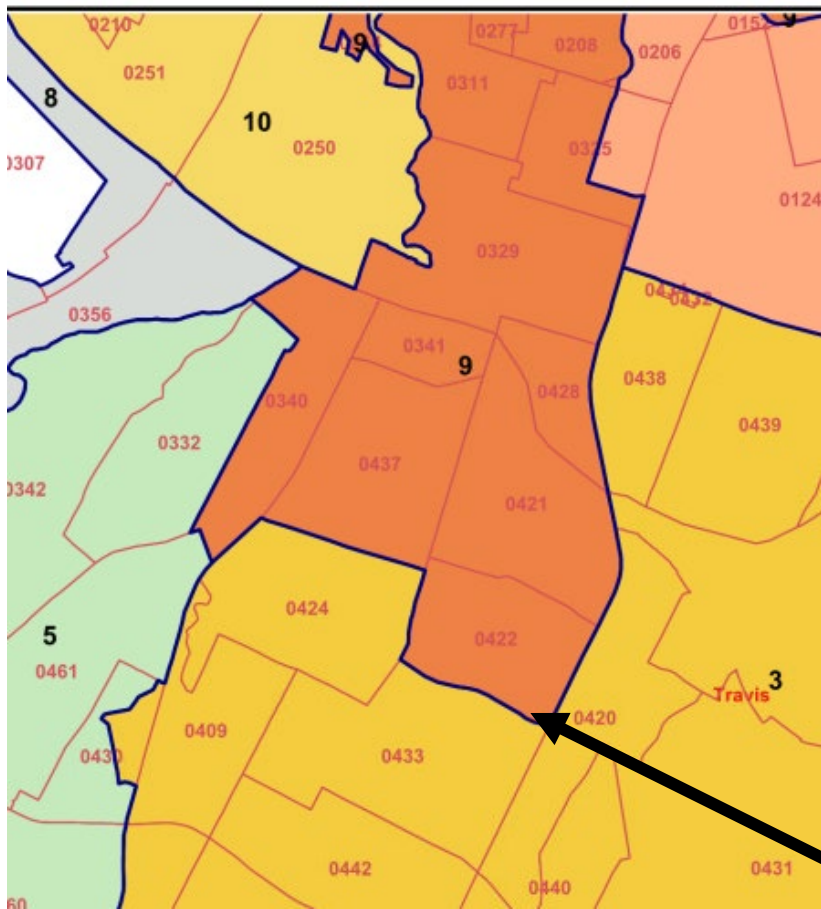

Attached is the change that our leadership has agreed to that increases Hispanic CVAP in D3 and responds to the White neighborhood association requests.

We request that this change be made part of the motions you consider at your next ICRC meeting

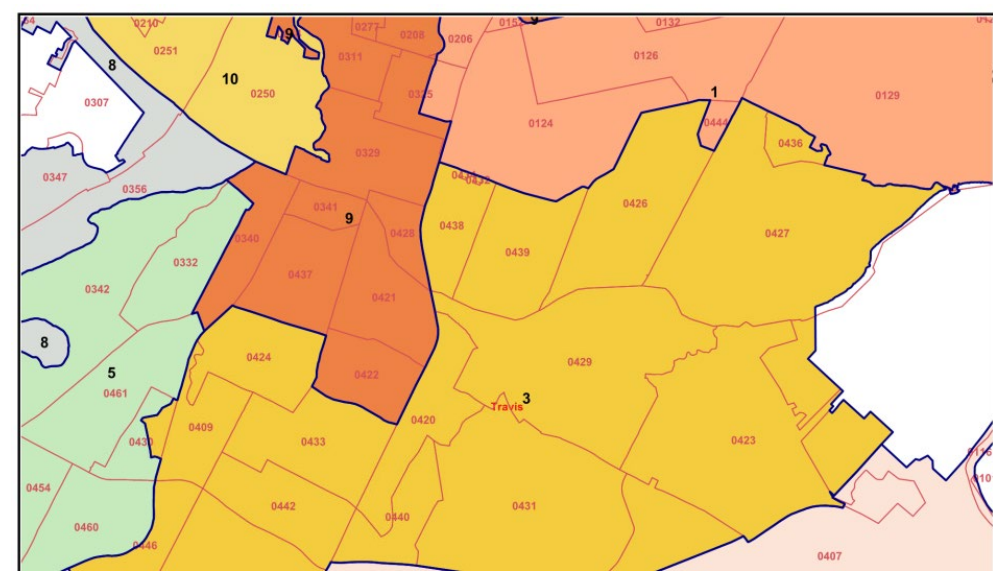

I will testify to this change Saturday so that any of you can ask any questions you may have.
