Hi Independent Citizens Redistricting Committee,

I hope this email finds you well.

Attached is the proposed Austin City Council districts for the Asian American Legal Defense and Education Fund (AALDEF). We have included pdfs of the districts and an Excel file of the district demographics. I will be sending another email with geographic files (shapefile and json) because the attachment size was too large for one email. Please let us know if you have any questions or need any additional information.

Thank you for your time and consideration.
