Hello,

I received a follow up email from George Korbelt requesting my address. Since then, I haven't received any updates on if Addison South will be included in District 2.

Could an update be shared?

Thank you,

Persefoni

Hello,

I'm reaching out because I'm extremely concerned with the new maps that have been proposed for the City of Austin. District 2 should include the community of my home, Addison South. The map that has been published does not include my street and community, but everything else in the surrounding area for district 2.

Will this be changed? I am going to be paying property taxes to Travis county. I don't understand why Addison South was not included in District 2. Please advise. These are brand new homes that people invested in. By not allowing us to vote, you are silencing us.

Otherwise, I will begin writing a petition and go door to door. This is absolutely unacceptable. This is the second election I cannot vote in since I moved into my new home. Can you imagine my surprise last time when I went to vote and they turned me away?

Thank you,

Persefoni Karayiannis
