Subject: Proposed Austin City Council Districts

*** External Email - Exercise Caution ***

Good afternoon Matthew,

Please see the following proposed plan for Austin City Council districts:

[REDACTED]

The proposed districts are:

- A. Compact (tough because Austin city limits are all over the place with enclaves and exclaves)
- B. Sensible (district boundaries mostly follow major roads/highways or geographic features)
- C. Balanced population-wise (always tough when drawing districts for anything)

If possible, please let me know if you have any feedback.

Thank you,
Tanner Taegel
